### Spring

There were two spring seasons since the 1970's in which the Reds won 75% or less of their games, and in both of these years (1991 and 1996), the Reds still advanced to the State Championship Game.

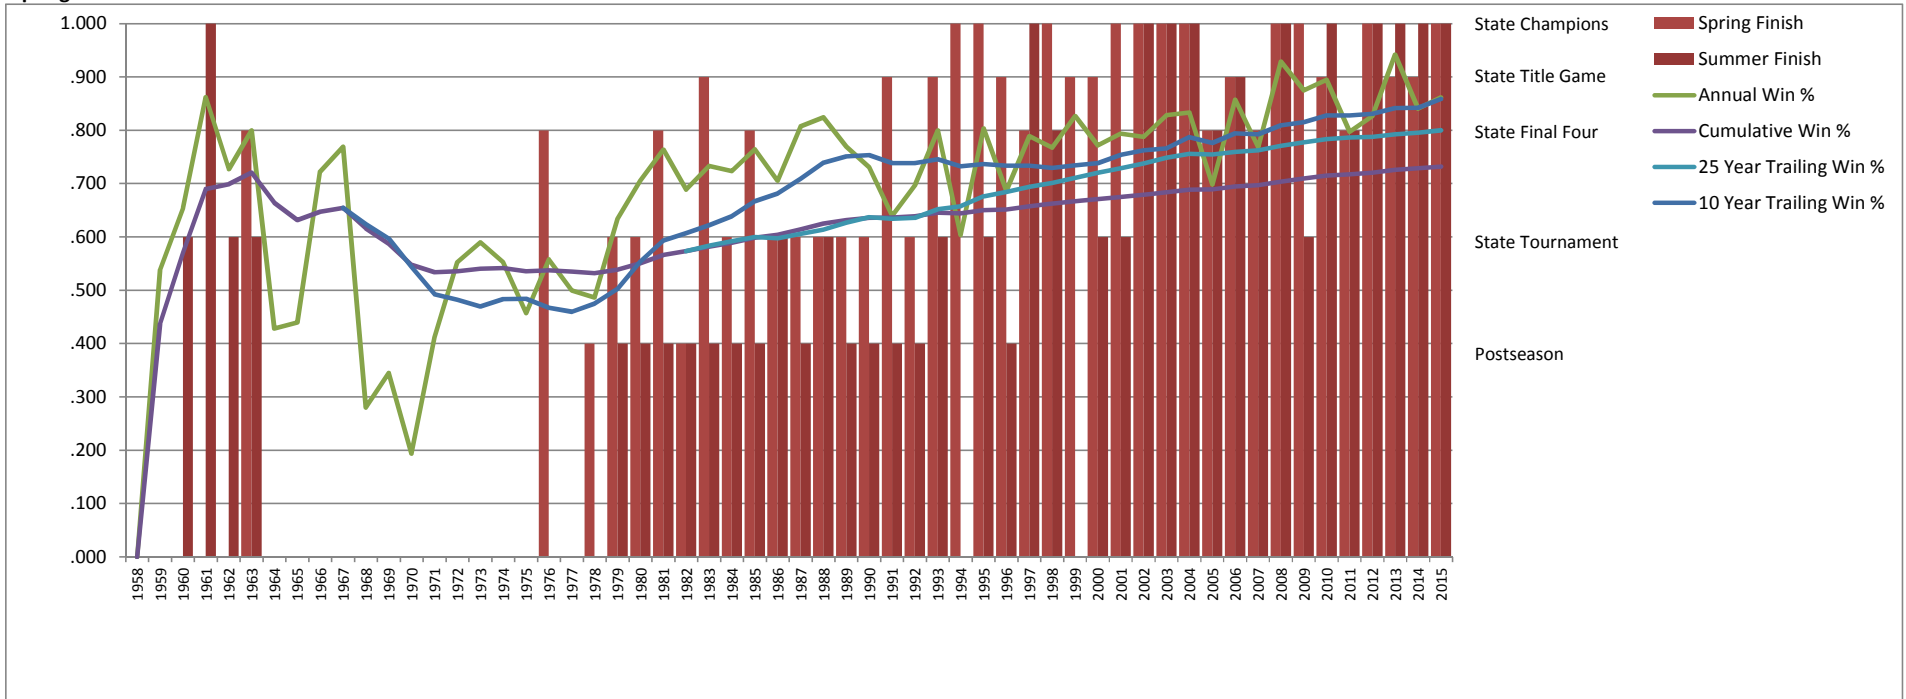

### Summer

There were two summer seasons since the mid-1980s in which the Reds won fewer than 65% of their games, and in both of the following springs (1995 and 2006), the Reds responded by advancing to the State Championship Game, winning the State Championship in '95.

### Spring & Summer Combined

With each passing year, the Reds continually faced more and more 5A schools/graduate teams, including 20 games vs. teams comprised of nearly entirely graduates in 2014 and 2015—the Reds lost to only 4 non-graduate teams in spring/summer from July 2012 through July 2015.
